In order to reduce COVID risks, it has been necessary to limit the number of items that are available / left in the cottage.

You can expect to find the following items in the cupboards etc.

- Folder with COVID information, fire safety information & appliance instructions. Please read on arrival.
- Bedding and towels.
- Dishwasher tablets x7
- Washing machine tablets x 6
- Surface sanitizer in bathroom and kitchen
- Dishwasher salt. Rinse aid. Cleaner.
- Vinyl gloves 3 prs
- Toilet rolls x4
- Guest soaps x2
- Black bags x 6
- Kitchen roll x 1
- Washing up liquid x 1
- Dish cloth, tea towels x 2
- Pegs & coat hangers
- Sweeping brush and a dustpan & brush

- Salt & pepper grinders

I have also reduced the number of items in the kitchen but it should be suitably equipped for meal preparation and dining. If there is something that you really need that is missing, give me a call and I will try to supply it from my own kitchen.
